

MISSA 2010

The Influenced Landscape – Mike McLean

Student Supplies:

- Digital Camera (preferably with manual control over shutter speed, aperture, ISO, colour balance and focus)
- Computer with digital imaging software (what the student currently uses and is comfortable with)
- All appropriate cords and power supply hardware to keep camera and computers fully functioning
- Sturdy Tripod
- Comfortable and water-resistant camera bag
- Appropriate footwear
- Warm Clothing (including a hat for sun protection)
- Any extra lenses, flash equipment or filters the student has access to are encouraged but not a necessary supply
