

MISSA 2012
Portraits / Lightroom 3
Michael Schoenholtz

Student Supplies:

Prerequisites: Comfort with your camera; able to shoot in Aperture mode, change the ISO and other settings to obtain well-exposed, sharp images. Basic laptop computer skills.

Gear:

A digital camera, ideally capable of producing RAW images. Digital SLR preferred.

A portable laptop computer, with Adobe Lightroom 3 on it.

USB flash drive for moving files back and forth.
